Comments:

This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or local law regulating construction or the performance of construction. The granting of this permit does not give the applicant the authority to violate or cancel the provisions of any other regulations applicable to the property for which this permit is valid. Such regulations may include, but are not limited to: easements, restrictive covenants, architectural review, and agreements. It is the applicants responsibility to assure compliance with said regulations. I make this statement under penalty of perjury.
